

Safeguarding and Welfare Requirement: Information and Records

Providers must maintain records and obtain and share information to ensure the safe and efficient management of the setting, and to help ensure the needs of all children are met.

10.8 Transfer of records to school

Policy statement

Hanborough Pre-School recognise that children sometimes move to another early years setting before they go on to school, although many will leave our setting to enter a nursery or reception class.

Hanborough Pre-School prepare children for these transitions and involve parents and the receiving setting or school in this process. Hanborough Pre-School prepare records about a child's development and learning in the Early Years Foundation Stage in our setting; in order to enable smooth transitions, Hanborough Pre-School share appropriate information with the receiving setting or school at transfer.

Confidential records are shared where there have been child protection concerns according to the process required by our Local Safeguarding Children Board.

The procedure guides this process and determines what information Hanborough Pre-School can and cannot share with a receiving school or setting.

Procedures

Transfer of development records for a child moving to another early years setting or school

- Using the *Early Years Outcomes* (DfE 2013) guidance and our assessment of children's development and learning, [the key person/I] will prepare a summary of achievements in the seven areas of learning and development.
- The record refers to:
 - any additional language spoken by the child and his or her progress in both languages;
 - any additional needs that have been identified or addressed by our setting;
 - any special needs or disability, whether a CAF was raised in respect of special needs or disability, whether there is an Education, Health and Care Plan, and the name of the lead professional.
- The record contains a summary by [the key person/me] and a summary of the parent's view of the child.
- The document may be accompanied by other evidence, such as photos or drawings that the child has made.
- When a child transfers to a school, most local authorities provide an assessment summary format or a transition record, which Hanborough Pre-School will follow as applicable.
- If there have been any welfare or protection concerns, Hanborough Pre-School place a star on the front of the assessment record.

Transfer of confidential information

- The receiving school or setting will need to have a record of any safeguarding or child protection concerns that were raised in our setting and what was done about them.
- Hanborough Pre-School will make a summary of the concerns to send to the receiving setting or school, along with the date of the last professional meeting or case conference. Some Local Safeguarding Children Boards will stipulate the forms to be used and provide these for [us/me] to use.
- Where a CAF has been raised in respect of any welfare concerns, Hanborough Pre-School will pass the name and contact details of the lead professional on to the receiving setting or school.
- Where there has been a s47 investigation regarding a child protection concern, Hanborough Pre-School will pass the name and contact details of the child's social worker on to the receiving setting or school – regardless of the outcome of the investigation.
- Hanborough Pre-School post or take the information to the school or setting, ensuring it is addressed to the setting or school's designated person for child protection and marked as 'confidential'.
- Hanborough Pre-School do not pass any other documentation from the child's personal file to the receiving setting or school.
